YBR 125

## YBR 125

The YBR125 provides excellent value for money, just what you need for easy-going travel without breaking the bank.

It has an economic, tried-and-tested 4-stroke engine with electric starter. Its wide two-seater saddle and exclusive balancer system to cut down on vibrations make for a comfortable ride; you can get real riding pleasure compared to that enjoyed on the biggest cylinders.

When first launched, the YBR125 proved that it really was built to stand up to conditions in Africa during a 3,000 kilometer rally.

### ENGINE
