

MOTORCYCLES

AG 200

AG 200

Popular with many international and government organisations as well as those working in farming, industry and transport, the AG200 boasts a 4-stroke engine of unrivalled sturdiness.

As essential machinery for working and getting around in the fields and on the road, its many protective features afford it outstanding durability and its large luggage rack can be used for heavy and bulky loads.

ENGINE

Engine type	Single cylinder , 4-stroke
Displacement (bore x stroke)	196 cc (67,0 mm x 55,7 mm)
Cooling	Air
Compression ratio	9,5 : 1
